February 1–28, 2018

EDUCATORS & ADMINISTRATORS:

This is your chance to TELL us about your job.

what?

The **2018 TELL Oregon Survey** helps school, district, and state leaders gather, document, and analyze educator perceptions of teaching and learning conditions in schools and districts. Resources are provided to help school leaders in using the results to plan improvements that include professional development for teachers and school leaders.

who?

The **2018 TELL Oregon Survey** is for all school-based licensed educators, including administrators, in the district. The survey is administered by New Teacher Center (NTC), a national organization dedicated to supporting the development of a high-quality teaching force. NTC has vast experience conducting similar surveys in other states and provides induction and professional development for teachers and principals across the country.

where?

Educators will be able to access the survey during a four week window from any internet location, using the confidential access code provided.

why?

National research shows that the teaching conditions measured in the TELL Survey are positively associated with improved student achievement and teacher retention.

ANONYMOUS ACCESS CODES: The individual letters with access codes will be delivered to schools, via the U.S. Postal Service.

HELP DESK: During the survey window, the Help Desk answers all your questions, including what to do if you lost or never received a confidential access code. Contact the Help Desk via toll free phone (M-F) or email throughout the survey window.

TELL Oregon
teaching, empowering, leading and learning

RESEARCH SHOWS THAT teaching conditions are positively associated with improved student achievement and teacher retention. The **2018 TELL Oregon Survey** will provide educators with data, tools and direct support to facilitate school improvement. **2018 TELL Oregon Survey** includes questions on the following topics:

- Community Engagement and Support
- Teacher Leadership
- School Leadership
- Managing Student Conduct
- Use of Time
- Professional Development
- Facilities and Resources
- Instructional Practices and Support
- New Teacher Support

Every school that reaches the minimum response rate threshold of 50 percent (and a minimum of 5 respondents) will be able to use its own data in school improvement planning. The **2018 TELL Oregon Survey** will be administered over a four-week survey window: **February 1–28, 2018**. Anyone can view the live response rate tracker for your district by visiting www.telloregon.org during the four-week survey window.
